***Terminal Disclaimers***

The terminal disclaimer filed on December 12, 2006 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of U.S. Patent No. 6,706,726 has been reviewed and is accepted. The terminal disclaimer has been recorded.

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the claims of the instant application are free of the art; a terminal disclaimer over U.S. Patent No. 6,706,726 has been received and approved; and the remaining provisional obviousness-type double patenting rejections are withdrawn, because the copending applications with which there exists obviousness-type double patenting all have a later filing date than the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James H. Alstrum-Acevedo whose telephone number is (571) 272-5548. The examiner can normally be reached on M-F, 9:00-6:30, with every other Friday off.
